7th International Conference and Exhibition in Mumbai

COBEX is proud to sponsor the lunch at IBAAS-2018 to be held in Mumbai, India, from 5th to 7th September 2018. We look forward to meeting our business partners, customers and friends during this conference.

The theme of the IBAAS-2018 symposium is “Indian Aluminium Industry – Status, Strategies & Way Forward for Accelerated Growth”. This Conference covers complete key topics and issues in the bauxite, alumina, aluminium and aluminium downstream in 3 days interactive meetings. There is also a special session on 2nd day (6th September) on Aluminium Downstream.

The following technical sessions will be coordinated by leading experts during IBAAS 2018 conference:

- Bauxite-Alumina Session
- Non-Metallurgical Bauxite & Alumina
- Raw Materials for Alumina and Aluminium Production
- Value from Wastes
- Aluminium Smelting Session
- Aluminium Downstream
- Bauxite, Alumina & Aluminium Market
- Sustainability of Aluminium Industry

About 80 companies and more than 250 – 300 delegates from all over the world are expected to participate in this Aluminium event of India. The Conference and Exhibition will provide an excellent opportunity to meet and interact with International experts, scientists, engineers, entrepreneurs, equipment manufacturers, representatives of aluminium industries world over.”
