

Tokai COBEX Clarifies Licensing and Production Claims for NeO² and CleO² Paste

Wiesbaden, 24 April 2025 – Tokai COBEX has become aware of unauthorized claims regarding the licensing and production of NeO² and CleO² paste.

Please note that any NeO² and CleO² paste not directly purchased from Tokai COBEX is not our product and is not produced under our permission or license.

Tokai COBEX disclaims any responsibility for the risks and consequences associated with using paste procured from sources other than Tokai COBEX.

We would like to clarify that any entity promoting NeO² and CleO² paste is not a licensed partner.

We appreciate the continued support and trust of our customers. For any inquiries or further information, **please contact: cathodes@tokaicobex.com**
